## SCRIPTING SUCCESS IN INDIA & ACROSS THE WORLD

Luxor has been at the forefront of introducing innovative writing technologies – from fiber tips, plastic roller tips and fineliners to markers, highlighters and fine writing instruments.

*EXPORTING TO OVER 85 COUNTRIES*

*Luxor, synonymous for exciting writing for the past 50 years, has followed lasting values such as quality and innovation. Its uncompromising demands on shape, materials and workmanship have been reflected in its entire product range.*

*I thank all our customers, consumers, business associates and each one at the Luxor family for making the last fifty years iconic.*

CHAIRMAN, LUXOR GROUP

# QUALITY & SUSTAINABILITY ARE MOST IMPORTANT FOR US

## Quality. A Relentless Pursuit.

Luxor is a global leader and trendsetter in the writing and colouring instruments space. An obsessive focus on quality, design and suitability ensures that every consumer has maximum writing comfort. Our wide range of products caters to a variety of needs – from students to working executives to artists.

In the last fifty years, this owner-managed-family-run business has grown manifold, and the resultant experience and expertise has made us more aware towards our share of the responsibility, for our customers and partners.

Quality that you can rely on – that forms the foundation of our manufacturing processes and marketing strategies. It is this relentless pursuit of excellence that has earned us one of the world's most exacting certifications.

Dependability, active partnership with our customers, unparalleled and impressive product quality and timely delivery are the principles on which our ideas and actions are based.
